## Most by \$10,000,000 Project, He Declares

William Bullock, director of the Buresu of City Inquiry, launched an atack yesterday against the Bronx River Parkway, now under construction, charging that the city was footing 75 Wise Predicts per cent of the bills and that most of the benefit from the project would be cerived, not by New Yorkers, but by citizens of Westchester, which is supplying only 25 per cent of the funds. He also alleged that the Bronx Park-

lridge.

Jay Downer, secretary to the Bronx Parkway Commission, merely smiled then confronted with Mr. Bullock's charges yesterday, and termed them tamouflage."

Says River Is a Rivulet

"The chief reason advanced for the

Mr. Bullock expressed the fear that better way, but it has scorned the New York may be denied even an auto-

New York may be denied even an automobile road in return for its ultimate expenditure of \$10,000,000. He hinted at an attempt to make the parkway a bridle path for Westchester residents instead of a roadway.

"The bridge was built by the city of White Plains," explained Secretary Downer. "The commission had decided to divert the Bronx River channel at that point, and asked White Plains to build the bridge, now on dry land, at the point where the river will be in the future."

"As to the bridle path, there never the residents of him whose better way has been selish.

"The nation will not brook any man who speaks selfishly, nor will it allow a Presidential candidacy to be furthered by criticism of the government."

Hulbert Fails in Plea for 40-Foot Hell Gate Channel

has been any attempt to deprive New Yorkers of a roadway so that West-thester residents might have a bridle path. I told Mr. Bullock that last week. path. I told Mr. Bullock that last week.
"Every expenditure of New York's money which the commission has made was first approved by New York, through the Board of Estimate. The law creating the commission provided for that

mpression when he says that the parkmay will benefit Westchester residents
chiefly. Thousands upon thousands of
New Yorkers will get the good of it.
And auto owners will not be the only
New Yorkers benefiting from it. Three
thousand boys a day last summer went
swimming in the Bronx River which
will result to good of the engineers.

"Mr. Hulbert, former member of the used to be a sewer canal."

Daniels Appoints First

Josephus Daniels, Secretary of the Navy, bas appointed the first Christian Science chaplain ever to serve with our forces afloat. Richard J. Davis, of Boston, has been chosen to fill the post and will hold it with the grade of junior lieutenant. He has been assigned to duty temporarily at the Boston Navy Yard.

Two Christian Scientists are now serving as chaplains of the army.

The Weather Report

Washington, Feb. 3.—The cyclonic depression of Salurday erecting in Minnesota has advanced to the lake region, New England and Northern New York. In connection with this depression that lake south Atlantic states. A strong independent is moving southeastward over the Dakes. It is attended by much colder weather which has already extended cashward into the Upper lake region and southward into the middle Mistalire.

### Knight Studio Burns

Attack on Bronx \$60,000 Fire Destroys Building of Scenery Company

Kings' palaces and Forests of Arden and no one knows how many other scenes of the present and the past were destroyed yesterday when fire swept Westchester Will Benefit through the three story brick studio of Accused Men Will Not Be the H. B. Knight Scenery Company, at

the H. B. Knight Scenery Company, at 140th Street and Walton Avenue, The bronx, demolishing the structure and causing \$60,000 damage.

Three alarms had to be turned in before the flames could be controlled. The blaze, fed upon the oil-impregnated canvas, was so fierce that firemen had difficulty in getting close enough to fight it effectively.

## Hylan's Failure: Hits Reformers

Rabbi Stephen S. Wise delivered his ray Commission has already spent sermon before the Free Synagogue in Samon of the city's money and is Carnegie Hall yesterday in a fighting istration and predicted failure for it as that magistrate cleared his calensain the assertion that the commission at its beginning. He asserted that the dar sufficiently to make the long drawn wilt a bridge over dry land at White Mitchel administration had also been out hearings possible. It is hoped Mains and is now damming the Bronx a failure. He then attacked reformers that this will be late this week. liver to get the water under the in general, and those men who have The prosecuting attorney left his dinbeen criticising the War Department in | ner at the Democratic Club last night particular. He wound up his discourse long enough to say that he had the

He then launched into a dender of the sellish officeholder who handed out reform as a benefaction. "Freak reformers," he called them, "who seek

"The chief reason advanced for the stablishment of the commission was the conservation of the Bronx River. This river to-day is little more than a sulet, the great volume of its waters laving been diverted to the Kensico Reservoir and to the Bronx Valley swer.

"What is New York getting for its 75 per cent of the cost? The parkway is fifteen miles long. Of this twelve miles are in Westchester County and three miles in New York."

Mr. Bullock expressed the fear that
